

Bhāgya Jāgyā Re

Bhāgya jāgyā re, āja jānavā, koṭi thayā kalyāna,
Udhāro na rahyo ehano, pāmyā prabhu pragaṭ pramāna

Anāthapanānu me'nu ootaryu, sadā thayā sanātha,
Dara na rahyo beejā devano, grahyo hariye hātha

Kangālapanu keva na rahyu, sad manānu sukha,
Masti āvi re ati angamā, dura palāna dukkha

Anasamajana a lagi thayi, sami samajāni vāta,
Pāmpalā sarve parā palyā, malyā shrihari sākshāta

Kasar na rahi koi vātani, pāmyā prabhu pragata prasanga,
Khoṭa matine khāṭya thayi, rahi gayo chhe ranga

Bhudhara ma latā bhalu thayu, fero fāvyo ā vāra,
Sukhatani sim te shi kahu, mane moda apāra

Āja ānanda vadhāmanā, haiye harakha na māya,
Ama lati vāta te āvi ma li, shi kahu sukhani simāya

Āja amrutani heli thayi, rahi nahi kāyi khota,
Eka kalyānanu kyā rahyu, thayā kalyāna kota

Rankapanu to rahyu nahi, koyi mā kahesho kangāla,
Niradhaniyā to ame nathi, mahā malyo chhe māla

Konajāne ā kema thayu, āvyu anachintavyu sukha,
Dhālo alaukika dha li gayo, malyā hari mukhomukha

Dhanya dhanya avasar ājano, jemā ma liyā mahārāja,
Nishkulānanda dānko jitano, vāgi gayo chhe āja
